Ministers Conduct Chapel Devotions

In accordance with the plan of the Newberry Ministerial Association, the high school has had the privlege of hearing pastors of the various churches of the city conduct the devotions once each week. The last two visiting ministers were the Rev. Neil Truesdale of the Aveleigh Presbyterian church and the Rev. J. Aubrey Estes of the First Baptist church.

On Wednesday morning, October 18, Mr. Truesdale talked to the student body on the subject of temptation. He gave the school some interesting and timely advice, and he was well received.

Mr. Estes spoke to the students on Wednesday morning, October 25. He used as the text for his remarks the Old Testament story of Moses lifting up the serpent. He drew a helpful message of faith from his illustration.

Every year the Winthrop journalism department sponsors a photography contest. Anyone of high school age may enter and the grand prize is a press camera which has been valued at over one hundred dollars. If any of you students have any pictures that you think are pretty good and would like to enter them, give them and some information about them either to Miss Puysinger or to me. The pictures have to be clear prints and must have been taken since March, 1950.
